- (c) Applications for Permits must be received by the District a minimum of 30 days prior to the dates the Permit is being sought. The Director may waive and shorten this timing requirement for good cause shown or in the interests of the District.
- (d) The District shall issue requested permits without unreasonable delay unless:
 - 1. The proposed activity violates federal, state, local or District law, rule, or regulation; or,
 - 2. A prior application for a Permit for the same date, time and location has been or will be granted and the use authorized by that Permit does not reasonably allow occupancy of that particular location by more than one permittee; or,
 - 3. The proposed use is of such a nature that it cannot reasonably be accommodated in the particular location applied for considering, without limitation, the likelihood of such things as damage to District resources or facilities, damage to an environmentally sensitive or protected area's ecosystem, impairment of a protected area's atmosphere of peace and tranquility, unreasonable interference with District functions, buildings, facilities, operations, programs or activities, or unreasonable interference with the use or purpose of the District Property applied for; or,

- (f) If an application is denied on the basis of a scheduling conflict or inappropriateness of the location, duration, or time of the activity, the District will make a reasonable effort to arrange an alternative that is acceptable to all parties. If an application is denied, or the applicant is dissatisfied with such Permit as issued, he may appeal the decision to the Board within ten (10) days after the decision is rendered. If the Board rejects the appeal after full review, or if time for full review is not available, the applicant may appeal the decision to the appropriate court. All other decisions on the issuance of Permits by the District are final.
- (g) Any Permit granted by the District may contain lawful prerequisites to the issuing of the Permit and restrictions on the conduct of the permitted use including without limitation: payment of a reasonable fee; general liability insurance coverage naming the District as an additional insured; an agreement to fully indemnify and hold the District harmless from any liability or costs resulting from the activity; a requirement that the Persons involved in the use observe all federal, state, local, and District laws, ordinances, rules, and regulations; time, duration, and location restrictions; restoration deposit; a written agreement by the applicant to fully restore any District Property soiled or damaged by the use; and, any reasonable restriction necessary for the efficient and orderly contemporaneous administration of the use, other activities with a Permit, and regular District uses, functions, programs, and activities.
- (h) A restoration deposit may be required for any Permit. The District shall refund the deposit if the Person responsible for the activity cleans any refuse caused or left by the activity or the activity's participants and restores District Property to the condition it was in prior to the activity to the District's satisfaction or complies with any other requirements established by the District for refund of said deposit. If the District is required to cleanup or restore District Property after the activity, the Person responsible for the activity shall reimburse the District for all costs and expenses associated with the cleanup and restoration. The cost of the cleanup and restoration shall be taken from the restoration deposit. If there are any funds remaining after the cleanup and restoration costs have been subtracted, they shall be returned to the appropriate Person. If the costs and expenses for the cleanup and restoration exceed the amount of the restoration deposit, the Person responsible for the activity shall pay the difference to the

District upon demand. In the event said costs are not reimbursed, the District reserves the right to pursue any and all legal options.

If the restoration deposit would create a financial hardship for the applicant which the applicant can so demonstrate, the District may accept a written agreement to clean up and restore District Property after the activity. If the applicant does not satisfactorily perform according to the agreement, the District reserves the right to pursue any and all legal options.

For activities involving the exercise of First Amendment rights, including without limitation parades, public gatherings, speeches and rallies, this requirement may be waived by the District if the applicant can demonstrate that he or his organization cannot procure general liability insurance or that the cost of procuring such insurance or acquiring a rider to the District's insurance policy is prohibitive.
- (b) Every applicant must execute and deliver to the District an agreement to indemnify and hold the District harmless from legal liability, property damage or injury to persons caused by the negligent or unlawful acts of the applicant or any member, volunteer, employee, agent, participant, or other Person associated with the applicant or his group or organization.
